Floyd Petersen, Mayor  
Karen Hansberger, Mayor pro tempore  
Robert Christman, Councilmember  
Stan Brauer, Councilmember  
Robert Ziprick, Councilmember

COUNCIL AGENDA: March 9, 2004

TO: City Council

VIA: Dennis R. Halloway, City Manager 

FROM: Deborah Woldruff, AICP, Community Development Director 

SUBJECT: Request for approval and adoption of the Draft Street Naming Program and Street Name List

## **RECOMMENDATION**

Staff recommends that the City Council adopt the attached Draft Street Naming Program and modified Street Name List as recommended by the Historical Commission for future street names.

## **BACKGROUND AND ANALYSIS**

On February 2, 2004, the Historical Commission approved modifications to the Street Name List. The list was divided into categories for Historical Loma Linda, which includes the state of California and the Citrus Industry, medically oriented and Loma Linda University related names, military related, and pleasant sounding names, which includes Spanish and Welsh names. In the past, the Historical Commission has reviewed street names on a case by case basis and assisted in providing names for tracts. This modified list creates street names which developers and staff can use for new streets, however, City Council will still review the requested names.

## **ENVIRONMENTAL**

The revisions to, and adoption of, the Street Naming Program is a ministerial project and is exempt from environmental review. The street naming program will not result in any environmental impacts.

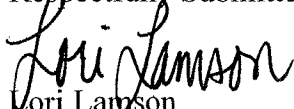

The street naming process is within the scope of an approved project for a tract map or parcel map adopted by the City Council for development. Environmental evaluation of proposed lot and street design will be conducted for future projects. As part of this process it is presumed that

street naming is necessary for any new streets. Street naming falls within the scope of the environmental review of a project.

**FINANCIAL IMPACT**

No financial impacts are anticipated other than the costs associated with constructing and placing the street signs on finished streets.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read "Lori Larson". The signature is fluid and cursive, with the first name "Lori" and last name "Larson" clearly distinguishable.

**CITY OF LOMA LINDA**  
***DRAFT***  
**STREET NAMING PROGRAM**

**GENERAL PRINCIPLES**

1. University buildings currently named to honor persons should not be used again for street names.
2. Names for new subdivisions, tracts, or streets to be selected from an approved list provided by the City Council.
3. Names should be pronounceable and spellable.
4. Names be provided in four categories:
  - I. Historical Loma Linda/California/Citrus
  - II. Medically Oriented and Loma Linda University Related
  - III. Military Related
  - IV. Pleasant Sounding
5. Each subdivision, or tract be limited to names of a certain category.
6. Names arranged in alphabetical order insofar as possible.
7. Names of existing streets that are continuous through a new development should maintain the existing name.
7. Names not to be repetitive of name found in nearby areas.
8. "Way" shall be used only on future private streets.
9. Arrange names by groups and alphabetically.

**Suggested Names**

See attached lists.

**\*Note: Street, Lane, Drive, Cove, Avenue, Circle, Road, Court, and Place, may be used with Street name.**
